# FreeMotion® i11.9 Incline Trainer

MODEL › FMTK74810  
FEATURE › 10" Touch Screen with Browser Powered by Android™  
OPTION › Upgradable to 17" FreeVision™ HDTV FMTV74810

## FEATURES AND BENEFITS

**17" FreeVision™ HDTV** › Add motivation to your workout with this HDTV. This upgradable feature has a wide viewing angle and was designed with dynamic contrast and color saturation for a beautiful picture.

**10" Full-Color Touch Screen with Browser Powered by Android™** › Now you can get online while you work out! Check the news, read email, watch sports highlights, get on Facebook and more with this 10" touch screen with browser Powered by Android™.

**iFit Live™ Technology Built-In** › Get smarter workouts and faster results with iFit Live™ Technology. Featuring workouts Powered by Google Maps™, training with Jillian Michaels and automatic speed and incline controls, this wireless technology is the ultimate workout experience!

**5.0 HP AC Commercial Pro Motor** › Dynamically spin-balanced and extensively tested for superior performance in vibration and noise, this brushless AC motor is the smoothest, quietest motor available today.

**Compatible Music Port for iPod®** › Move to the beat of your favorite music with this built-in music port with charging station. Plug your iPod®, or MP3 Player, and headphones into the Interplay™ Music Port and for unbeatable sound quality. Audio coaching overrides music during an iFit Live™ workout.

**0 – 12 MPH 1-Step™ Speed Control** › Make precise interval changes to your workout speed. Simply touch a single button for whole mph changes or key in the exact speed to suit your stride.

**-3 – 30% 1-Step™ Incline and Decline Control** › Adjust incline and decline from -3 to 30% with the simple touch of a button.

**34 Built-In Workouts** › Take the guesswork out of your workout with these built-in programs. Choose from high intensity, incline, calorie-burn or workouts Powered by Google Maps™ to start your fitness journey.

**CoolAire™ Workout Fan** › Stay cool and fresh during your workout with the innovative CoolAire™ Workout Fan. It's built right into the console, just like the AC in your car, allowing you to quickly adjust the settings.

**Dual-Grip Heart Rate Monitor** › Pulse information can be displayed on the console via contact sensors or Polar® compatible wireless chest strap.
