

## 2000 GS **INCLINE TRAINER**

**DOMESTIC** › SFTK39514

**INTERNATIONAL** › SFTK39514-INT

### ▶ **FEATURES & BENEFITS**

#### **POWERFUL 4.25 CHP ENDURADRIVE™ SYSTEM ›**

Our lower pulley ratio creates more torque for faster acceleration—helping you maintain speed for the full marathon. Plus for optimal user balance, our 10-rib stretch belt has less potential for slip. Delivering high-end commercial bearings and brushes, high-grade wiring and insulation ratings, a thermal cut-off switch, and a stringent UL certification process, this motor is dynamically spin-balanced and extensively tested for superior performance in vibration and noise—making the EnduraDrive™ System the performance motor of choice.

#### **IFIT® ENABLED\* ›** Get smarter workouts and faster

results with iFit® Technology. Featuring workouts Powered by Google Maps™, training with Jillian Michaels and personalized, goal-specific programs, this wireless technology is the ultimate workout experience! Incline and decline automatically adjust to match terrain and maximize results. Now, you can customize your own fitness program, receive automatic workout downloads and manage your profile online.

\*iFit® Enabled machines require an iFit® membership sold separately.

#### **INCLINE AND DECLINE TRAINING ›** With up to 40% incline,

you'll recruit more muscle on the 2000 GS, targeting your quads and glutes. And, to perfect cadence and strengthen your legs for the downhill segments of the next marathon or 10K, the 6% decline adds variety and realistic training to any program. The lift motor, specifically designed for the Incline Trainer, delivers 900 lbs. of lift force for consistent deck movement and stabilization.

| Warranty         | Lifetime Frame Warranty<br>10-Year Motor Warranty<br>6-Year Parts & Electronics Warranty<br>1-Year Labor Warranty |

**FREEMOTION**

877.363.8449 › [www.freemotionfitness.com](http://www.freemotionfitness.com)

**10" FULL-COLOR TOUCH SCREEN** › Swipe through workout stats with the simple touch of a finger or watch your Google Maps™ Workout in Street View display on this beautiful, full-color touch screen.

**EXTRA-LONG, CUSHIONED DECK** › Stretch out your stride with the 22" x 60" 2-ply treadbelt and feel the incredible joint protection with built-in isolator cushioning.

**0-12 MPH 1-STEP™ SPEED CONTROL** › Customize your training for better results. Quickly change your speed from 0-12 MPH for a better workout, warm up and cool down.

**1-STEP™ INCLINE & DECLINE CONTROLS** › These quick controls allow you to change the incline and decline of your workout with the simple touch of a button. Increase your incline to burn more calories and increase your decline to stimulate different muscle groups.

**DUAL-GRIP HEART RATE MONITOR WITH POLAR® WIRELESS CHEST STRAP INCLUDED** › Forever change the way you work out by adding heart rate training. The included Polar® Wireless Chest Strap automatically communicates your heart rate to the 2000 GS so you can constantly monitor your workout intensity. Plus, two hand-grip heart rate sensors are conveniently built-in to this treadmill's handlebars for intermittent readings. With heart rate training, you get peak performance and maximum weight-loss results.

**44 WORKOUT APPS** › Enjoy health club-quality training with an impressive 44 Workout Apps. Designed by a Certified Personal Trainer, each app has a preset speed, time, distance and incline so all you have to do is press start!

**COMPATIBLE MUSIC PORT FOR IPOD®** › Stay motivated to lose weight with your favorite music! Plug your iPod® or MP3 player into the Intermix Acoustics™ 3.0 Sound System and enjoy incredible sound through the built-in 3" speakers.

\*iPod is a trademark of Apple, Inc., registered in the US and other countries. iPod® not included.

**DUAL AUTOBREEZE™ WORKOUT FANS** › Stay cool and comfortable, even on your longest run with these built-in, oversized fans that automatically adjust the fan speed to match your workout MPH.

**OUT-OF-BOX EASY ASSEMBLY** › This revolutionary minimal assembly design makes set-up as easy as 1-2-3

**2.5" PRECISION MACHINED AND BALANCED NON-FLEX REAR ROLLER** › Typically found on health club treadmills, the 2.5-inch rear roller reduces heat and wear-and-tear on the tread belt for less maintenance and a longer life.

**350 LB. WEIGHT CAPACITY** › Built to withstand heavy use mile after mile, the FreeMotion® 2000 GS Incline Trainer accommodates up to 350 lbs. It's perfect for every body.

**WARRANTY** › Lifetime Frame Warranty, 10-Year Motor Warranty, 6-Year Parts & Electronics Warranty and a 1-Year Labor Warranty.
