

2500 GS TREADMILL

DOMESTIC SFTL29514

INTERNATIONAL SFTL29514-INT

FEATURES & BENEFITS

IFIT® ENABLED* › Get smarter workouts and faster results with iFit® Technology. Featuring workouts Powered by Google Maps™, training with Jillian Michaels and personalized, goal-specific programs, this wireless technology is the ultimate workout experience! Incline and decline automatically adjust to match terrain and maximize results. Now, you can customize your own fitness program, receive automatic workout downloads and manage your profile online.

*iFit® Enabled machines require an iFit® membership sold separately.

POWERFUL 4.25 CHP ENDURADRIVE™ SYSTEM ›

Our lower pulley ratio creates more torque for faster acceleration—helping you maintain speed for the full marathon. Plus for optimal user balance, our 10-rib stretch belt has less potential for slip. Delivering high-end commercial bearings and brushes, high-grade wiring and insulation ratings, a thermal cut-off switch, and a stringent UL certification process, this motor is dynamically spin-balanced and extensively tested for superior performance in vibration and noise—making the EnduraDrive™ System the performance motor of choice.

10" FULL-COLOR TOUCH SCREEN › Swipe through workout stats with the simple touch of a finger or watch your Google Maps™ Workout in Street View display on this beautiful, full-color touch screen.

15" FREEVISION™ HDTV › Add motivation to any workout with this optional upgrade. A wide viewing angle and dynamic contrast and color saturation combine for a beautiful picture. Individual product TVs deliver a more personalized, entertaining workout.

SRS™ SURFACE RESPONSE SUSPENSION CUSHIONING › Keep your workout comfortable with full-length cushioning. Delivering incredible joint protection, this absorption system allows you to work out longer.

38 WORKOUT APPS › Enjoy health club-quality training with an impressive 38 Workout Apps. Designed by a Certified Personal Trainer, each app has a preset speed, time, distance and incline so all you have to do is press start!

0–12 MPH 1-STEP™ SPEED CONTROL › Customize your training for better results. Quickly change your speed from 0–12 MPH for a better workout, warm up and cool down.

-3–0% 1-STEP™ DECLINE CONTROLS › It's the newest revolution to the treadmill workout—walking at a decline! With 1-Step™ Decline Controls you can instantly adjust your decline to stimulate different muscles and add balance to your workout.

0–15% 1-STEP™ INCLINE CONTROL › Boost your weight loss with 1-Step™ Incline Controls. These controls make it simple to change the incline so you can reduce impact on your joints, burn fat calories and add variety to your workout.

THREE AUTOBREEZE™ WORKOUT FANS › Stay cool and comfortable, even on your longest run with these built-in, oversized fans that automatically adjust the fan speed to match your workout MPH.

DUAL-GRIP HEART RATE MONITOR WITH POLAR® WIRELESS CHEST STRAP INCLUDED › Stay in your target heart rate zone with heart rate sensors built right into the handlebars. Your reading is displayed on the console for a fast, accurate progress checkup. Plus, the 2500 GS treadmill is compatible with the included wireless chest pulse strap so you can maximize your results with heart rate training! A continuous reading is displayed on the backlit screen so you stay in the right training zone for better, faster results!

SPACESAVER® DESIGN AND EASYLIFT™ ASSIST › This patented, revolutionary design allows your treadmill to fold vertically for storage. To make it even easier, this treadmill includes a powerful shock that will help lift the deck with an easy push.

22" X 60" QUIET, 2-PLY TREADBELT › A vital component of the drive system, this roomy treadmill belt is designed to operate both smoother and quieter than the average treadmill belt.

2.5" CROWNED & SPIN-BALANCED REAR ROLLER › Better than the standard roller, this large, precision-machined roller reduces noise and helps the treadmill operate smoothly and quietly.

400 LB. WEIGHT CAPACITY › Accommodating up to 400 lbs., the 2500 GS treadmill is built for strength and durability.

WARRANTY › Lifetime Frame Warranty, 10-Year Motor Warranty, 6-Year Parts & Electronics Warranty, 1-Year Labor Warranty.
